ABOUT

# ASCO DIRECT

---

ASCO Direct 2026 is a licensed educational event by the **American Society of Clinical Oncology**, designed to bring the latest oncology research and clinical innovations to Indian healthcare professionals.

ASCO Direct 2026 is built to deliver meaningful, practice-relevant oncology knowledge through licensed access to content from the ASCO Annual Meeting. The conference brings together a carefully curated body of research, enabling clinicians to engage deeply with clinical trials, emerging therapies, and evolving treatment strategies that are shaping modern cancer care.

Designed with a strong focus on clinical applicability, every session translates global evidence into insights that can be directly integrated into day-to-day practice. Delegates will have the opportunity to learn from respected oncology experts, gain clarity on complex treatment decisions, and stay aligned with the latest standards of care.

Beyond the scientific sessions, ASCO Direct 2026 creates a space for meaningful professional exchange, where oncologists, researchers, and healthcare professionals come together to share perspectives, discuss challenges, and build connections. The result is a comprehensive and immersive experience that supports informed decision-making, continuous learning, and improved patient outcomes.

## ABOUT

# THE HOST

## GLOBAL HEALTH CARE ACADEMY (GHA)

### Transforming Healthcare Education with Tech and Expertise

Global Healthcare Academy (GHA) stands as India's pioneering Med-Ed Tech Academy, dedicated to building the future of healthcare. Our mission? *Empowering competent and compassionate professionals* who thrive in the ever-evolving medical landscape.

### Bridging the Skills Gap:

We recognize the disconnect between traditional healthcare education and industry demands. GHA actively bridges this gap by:

- Leveraging technology: We integrate cutting-edge solutions throughout our learning process, enhancing engagement and accessibility.
- Faculty expertise: Our instructors are renowned medical professionals, blending academic knowledge with real-world experience.
- Case-based learning: We immerse students in real-life scenarios, fostering critical thinking and practical skills.
- Practice-oriented approach: Our methodologies equip graduates to hit the ground running, prepared to excel in their chosen fields.

### A Multifaceted Learning Experience:

- GHA caters to diverse needs through five dedicated verticals:
- Allied Healthcare: Paramedical training programs to equip future healthcare assistants.
- Continuing Medical Education (CME): Upskilling and reskilling courses for healthcare professionals.
- Global Dental Academy (GDA): Specialized programs for aspiring and established dentists.
- Global Healthcare Publishing (GHP): Disseminating valuable knowledge through healthcare publications.
- GConvene: Facilitating knowledge exchange and professional development through industry events.

### Guided by Leaders, Driven by Passion:

- GHA is led, managed, and advised by a renowned team of doctors and healthcare professionals, ensuring the highest standards of education and industry relevance.

# CALLING ALL ASPIRING ONCOLOGISTS!

## SUBMISSION TOPICS ONCOLOGY:

Medical Oncology

Surgical Oncology

Radiation Oncology

## SUB- SPECIALTY / FOCUS SESSIONS:

Onco Pathology

Onco Palliative Care

Pediatric Hematology

Regenerative Medicine

Yoga

Spice and Taste

Precision Oncology & Pharmacogenomics

SHOWCASE YOUR RESEARCH. GET RECOGNIZED. WIN PRIZE MONEY!

Paper Submission Deadline:  
**30 June, 2026**

SCAN TO  
REGISTER & SUBMIT ABSTRACT

## RECOGNITION & OPPORTUNITIES

- Attend and participate in the world's top oncology conferences
- Present at a prestigious cancer research platform
- Network with global oncology experts
- Explore career-building opportunities in oncology
- Get your Paper published in the *Journal of Precision Oncology*

JOURNAL OF  
**PRECISION ONCOLOGY**

**WIN  
PRIZES**

**5**

Best Paper Awards ₹ 25,000/-

Best Poster Awards ₹ 15,000/-

# ADVISORY COMMITTEE

**Dr. Govind Babu**  
Medical Oncology

**Dr. Hari Menon**  
Medical Oncology

**Dr. Hemant Malhotra**  
Medical Oncology

**Dr. M S Belliappa**

Member  
Industry Coordination  
Committee

**Dr. Priyank Tripathi**  
Clinical Pharmacologist

**Ms. Sudiptaa Mitraa**  
Member  
Program Committee

## DETAILS OF REGISTRATION

Registration Category	Regular Until 31 May 2026	Late Registration 01 June 2026 Onwards
Delegate (Members)	8,500	9,500
Delegate (Non-Members)	9,500	10,500
Delegate (AHS)	4,000	5,000
Post Graduate Student	3,500	4,500
Accompanying Person	3,500	4,500
Industry (Sponsor)	30,000	30,000
Student Group Registration	2,000	3,000

- The above-mentioned rates are inclusive of all applicable taxes.
- Members Association: ASCO, ISMPO, BOG, IASO, SOGO, AROI, AMOI, AOMSI, and AMPI.
- Members AHS: Onco-Nurses, Radiologists, Geneticists, Pharmacists, Molecular Biologists, Onco-Nutritionist & Others

## WHO SHOULD ATTEND

Medical Oncologists

Surgical Oncologists

Radiation Oncologists

Gastroenterologists

Pediatric Oncologists

Pathologists

Colorectal Surgeons

Radiologists

Researchers & Scientists

Geneticists

Molecular Biologists

Oncology Nurses

Hepatobiliary Surgeons

Pharmacologists

Industry Professionals

Onco-Nutritionists  
and Dietitians

Nuclear Medicine  
Specialists

Postgraduate Students  
& Fellows

## ABOUT

# THE HOST CITY – MYSURU

Elegant and steeped in history, Mysuru, the Heritage City of Karnataka, offers a refined and inspiring setting for ASCO Direct 2026. Renowned for the iconic Mysore Palace, it reflects timeless royal grandeur while providing a serene environment for academic engagement. With a strong healthcare and educational ecosystem, the city fosters meaningful knowledge exchange and collaboration. Its seamless blend of tradition and modernity, coupled with warm hospitality and excellent connectivity, makes Mysuru an ideal destination for this prestigious conference.
