

Join over 3,000 surgical oncologists worldwide.
The Society of Surgical Oncology (SSO) is dedicated to improving multidisciplinary patient care by advancing the science, education and practice of cancer surgery worldwide.

SSO Membership Includes:

- ✓ Fellow of the SSO (FSSO) designation
- ✓ SSO's ExpertEd continuing education content and the opportunity to earn CME and self-assessment credits
- ✓ Educational webinars and virtual tumor boards specific to disease site and career stages
- ✓ Discounted registration for all SSO meetings and online courses
- ✓ Networking opportunities and access to the SSO Member Directory to connect with surgical oncology leaders
- ✓ Free access to *Annals of Surgical Oncology* journal and SSO's new, open access journal, *Surgical Oncology Insight*
- ✓ *SurgOnc Today*® podcast covering topics across 8 disease sites, research, and general surgical content
- ✓ Mobile app to keep resources at your fingertips while on the go
- ✓ Leadership opportunities across 30 different committees
